## Please read this important information regarding senior portraits for the yearbook.

May 26, 2021

Dear Senior Parent(s) or Guardian(s):

JN Photos, the school-contracted photographer, will be taking senior portraits for the 2022 Yearbook in the Penn-Trafford High School **auditorium** on **July 13, 14, 15, 19, and 20**. JN Photos will be emailing you additional information regarding the scheduling of day and time slots.

Please understand that **we will NOT accept photos from any outside photographers** to serve as a yearbook portrait; therefore, your son or daughter must be photographed by JN Photos to ensure that he or she is featured in the senior portrait section of the 2022 Yearbook, even if you do not intend to purchase any portraits or packages from JN Photos.

If your child will be unavailable on all of the summer dates or would like a retake, there will be a senior portrait makeup day, date to be determined.

JN Photos will send you the proofs from your session(s), and with this will include instructions for selecting your pose online for the yearbook. The deadline to select a pose is **Friday, November 19**. If you do not select a pose online by the deadline or if you do not select a pose that meets our yearbook requirements, the yearbook staff reserves the right to make the portrait selection for your son or daughter.

Further information will be emailed to you from JN Photos soon. If you have questions, you may contact Jodi Nichols at 724-382-4177 or send an email to [info@jn-photos.com](mailto:info@jn-photos.com).

Sincerely,

Tami Thornton  
Yearbook Adviser
